May 3, 4 & 5, 2013 - CDF ANNUAL EDUCATION CONFERENCE & GLUTEN-FREE EXPO
Pasadena Convention Center - first time ever 3 day event
Friday CDF Board of Directors meeting, Chapter and Connections Support Group Leaders meeting and VIP Reception, Saturday Education Conference and Gluten-Free EXPO, Sunday Gluten-Free EXPO open to the public.

The International Celiac Disease Symposium in Chicago from September 22-25, 2013, will present two distinct interactive educational tracks. The meeting will bring together the world's top scientists and physicians to discuss the most recent scientific advances in managing and treating celiac disease, while a separate clinical forum will be for registered dietitians, nurse practitioners, nurses, support group leaders, and members, advocates, business people, alternative practitioners and those living with celiac disease and/or gluten sensitivity.

The University of Chicago Celiac Disease Center, as the event host, would like to gather your input as we build the program for the Clinical Forum. We've created a short survey to help us do so.

Meeting of the Celiac Collaborative
October 27-28, 2012
Chicago, IL
CDF's hope for the Celiac Collaborative was to form a unified voice with which to represent the needs of the celiac and gluten-free community in North America. Leadership from the following organizations are participating: Canadian Celiac Association (CCA), Celiac Disease Foundation (CDF), Celiac Sprue Association (CSA), Gluten Intolerance Group (GIG), National Foundation for Celiac Awareness (NFCA), and American Celiac Disease Alliance (ACDA)

Gluten Free Calendar hosts five gluten-free and celiac awareness events, in cooperation with Major League Baseball teams. Proceeds from the tickets will benefit Celiac Disease Foundation, among others.

Celiac Disease Fundraiser Night on Wednesday June 28, 2012

This year will hold a different agenda. Folks can purchase their own type of seat section, allowing flexible ticket prices. There will be no pre-game event. Food can be purchased in the park. A cool Giant's collectible basket will be yours - if you purchase the most tickets on one transaction. Look for a Jumbo Tron Shout out during the game. Pre-game will also welcome our Celiac Disease fundraiser night support on TVs displayed throughout the stadium.

Section 112 of AT&T Park (behind home plate) is offering gluten free hot dogs and gluten free Redbridge beer. Peanuts, popcorn and Ghiradelli hot fudge sundaes are also available.

Purchase tickets by visiting this website
